Independent Auditor's Report

To the Board of Directors of CSB Bank Limited

Report on the audit of the Annual Financial Results

Opinion

We have audited the accompanying annual financial results of CSB Bank Limited (hereinafter referred to as the "Bank") for the year ended 31 March 2022, attached herewith, being submitted by the Bank pursuant to the requirement of Regulation 33 of the Securities Exchange Board of India (SEBI) (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations"), except for the disclosure relating to Pillar 3 disclosure as at 31 March 2022, including leverage ratio, liquidity coverage ratio and net stable funding ratio under Basel III Capital Regulations as have been disclosed on the Bank's website and in respect of which a link has been provided in the financial results and have not been audited by us.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid annual financial results:

- a. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard except for the disclosures relating to Pillar 3 disclosure as at 31 March 2022, including leverage ratio, liquidity coverage ratio and net stable funding ratio under Basel III Capital Regulations as have been disclosed on the Bank's website and in respect of which a link has been provided in the financial results and have not been audited by us; and
- b. give a true and fair view in conformity with the recognition and measurement principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, relevant provisions of the Banking Regulation Act, 1949 and the circulars and guidelines issued by the RBI from time to time, of the net profit and other financial information for the year ended 31 March 2022.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013 (the "Act"). Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Annual Financial Results* section of our report. We are independent of the Bank, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us, is sufficient and appropriate to provide a basis for our opinion on the annual financial results.

Y.

Management's and Board of Directors' Responsibilities for the Annual Financial Results

The annual financial results have been prepared on the basis of annual financial statements.

The Bank's Management and the Board of Directors are responsible for the preparation and presentation of these annual financial results that give a true and fair view of the net profit/ loss and other financial information in accordance with the recognition and measurement principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, the relevant provisions of the Banking Regulation Act, 1949, the circulars, guidelines and directions issued by the RBI from time to time (the "RBI Guidelines") and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the annual financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the annual financial results, management and the Board of Directors are responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Bank's financial reporting process.

Auditor's Responsibilities for the Audit of the Annual Financial Results

Our objectives are to obtain reasonable assurance about whether the annual financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the Bank has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the annual financial results made by management and the Board of Directors.

18

- Conclude on the appropriateness of management and the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the annual financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the annual financial results, including the disclosures, and whether the annual financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

- (a) The annual financial results include the results for the quarter ended 31 March 2022 being the balancing figure between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the current financial year.
- (b) The audit of financial results of the Bank for the year ended 31 March 2021, were conducted by BSR & Co. LLP, Chartered Accountants, the statutory auditor of the Bank, whose report dated 08 May 2021, expressed an unmodified opinion on those financial results. Accordingly, Mukund M. Chitale & Co, Chartered Accountants, do not express any opinion on the figures reported in the financial results for the year ended 31 March 2021.

Our opinion on the annual financial results is not modified in respect of these matters.

1. For the above segment reporting, the reportable segments are identified as Treasury, Corporate/ Wholesale Banking, Retail Banking and Other Banking Operations in compliance with the RBI Guidelines.

2. Pursuant to Board approved policy on preparation of segment information, the Bank, with effect from quarter ended March 31, 2022, has regrouped some of the advances to Corporate from retail in line with Basel III Capital regulations for more appropriate presentation of the segment results. Figures for the previous years have been regrouped / reclassified to conform to current period's classification. The impact of above regrouping / reclassification on segment results for the quarter and year ended March 31, 2022, is summarized in the table below:

3. The change in segment information has no impact on the overall Revenue, Results, and capital employed of the Bank for the current quarter / year ended March 31, 2022 or the previous periods / year. However, had the Bank continued the same method of preparation of segment information as was adopted in previous periods, the segment revenue, segment results, segment assets, segment liabilities and capital employed would have been Decreased/ (Increased) by:

3 The above audited financial results for the quarter and financial year ended March 31, 2022 have been reviewed by the Audit Committee and thereafter approved by the Board of Directors of the Bank in their respective meeting held on May 06, 2022. These results have been subjected to audit by the Joint Statutory Auditors of the Bank, viz. B S R & Co. LLP, Chartered Accountants and Mukund M. Chitale & Co., Chartered Accountants and an unmodified audit report has been issued. The financial results for the quarter and for the year ended March 31, 2021 were audited by B S R & Co. LLP, Chartered Accountants.

4 The above audited Financial Results of the Bank have been prepared in accordance with the Banking Regulation Act, 1949, generally accepted accounting principles in India, including Accounting Standards as prescribed under section 133 of the Companies Act, 2013, Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulation, 2015 and the guidelines issued by the Reserve Bank of India (RBI) from time to time.

5 The information related to the comprehensive income and other comprehensive income has not been furnished as IND AS in not yet made applicable to the Bank.

6 The Bank has followed the same accounting policies in the preparation of these financial results as followed in the annual financial statements for the year ended March 31, 2021 except policy on NPA recovery and policy related to accounting of the share-linked instruments, issued under the employee stock option scheme of the Bank. Previously, recovery in NPA was first appropriated towards interest and balance, if any, towards principal, except in the case of Suit Filed Accounts, sale to Asset Reconstruction Companies and accounts under one time settlement where recovery was appropriated based on the court decree/terms of agreement. From May 01, 2021, the Bank amended the policy on NPA recovery to appropriate recovery on all NPA first towards principal and balance if any towards interest. Impact of the above change in the financial results for the quarter and year ended March 31, 2022 is not material.

Reserve Bank of India, vide its clarification dated August 30, 2021 on Guidelines on Compensation of Whole Time Directors / Chief Executive Officers / Material Risk Takers and Control Function Staff, advised all the banks that the fair value of share-linked instruments on the date of grant should be recognised as an expense for all instruments granted after the accounting period ending March 31, 2021. Accordingly, the Bank has changed its accounting policy from the Intrinsic Value Method to the Fair Value Method for all share-linked instruments granted after March 31, 2021. The fair value of the stock-based compensation is estimated on the date of grant using Black-Scholes model and is recognised as compensation expense over the vesting period. The Bank granted 6,18,286 stock options since April 1, 2021 under its Employee Stock Option Scheme, 2019 and as a result, provision for 'Employees cost' (included in item no.5 (i) in the Financial Results) for the year ended March 31, 2022 is higher by ₹246.90 Lakhs and for the quarter ended March 31, 2022 is higher by ₹239.37 Lakhs (Quarter ended December 31, 2022 ₹6.70 Lakhs) with a consequent reduction in profit before tax by the said amount.

7 The working results have been arrived at after considering the provision for standard assets including requirements for exposures to entities with Unhedged Foreign Currency Exposures, Non Performing Assets, depreciation on investments, income tax and other usual and necessary provisions.

8 Other income includes fees earned from providing services to customers, commission from non-fund-based banking activities, earnings from foreign exchange transactions, selling of third-party products, profit on sale of investments (net), etc.

9 The Capital Adequacy Ratio is computed on the basis of RBI guidelines applicable on the relevant reporting dates and the ratio for the corresponding previous period is not adjusted to consider the impact of subsequent changes if any, in the guidelines.

10 During the quarter and year ended March 31, 2022, the Bank has not issued equity shares under the Employee Stock Option Scheme.

- 11 During FY2021, the Covid-19 pandemic resulted in a nation-wide lockdown in April-May 2020 which substantially impacted economic activity. The subsequent easing of lockdown measures led to gradual improvement in economic activity and progress towards normalcy from the second half of FY2021. In FY2022, India witnessed two more waves of the Covid-19 pandemic and the re-imposition of localised/regional lock-down measures in certain parts of the country. The Bank continues to carry Covid-19 related provision of Rs. 10,592.00 Lakhs at March 31, 2022. Currently, while the number of new Covid-19 cases have reduced significantly and the Government of India has withdrawn most of the Covid-19 related restrictions, the future trajectory of the pandemic may have an impact on the results of the Bank.
