SpiceJet can fly at full capacity from Oct 30

Regulator lifts 50% capacity restrictions

DEEPAK PATEL
New Delhi, 21 October

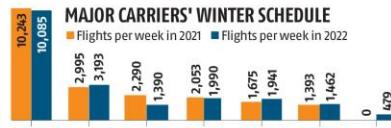

Aviation regulator Directorate General of Civil Aviation (DGCA) on Friday removed the 50 per cent capacity cap on SpiceJet after its planes were involved in a spike of incidents. The cap will be removed from October 30.

The DGCA on Friday also approved Indian carriers' winter schedule. Indian carriers will operate 21,941 weekly flights, 1.55 per cent less during the season compared to the previous winter season, it noted.

Go First is set to operate 39.3 per cent fewer weekly flights in this year's schedule as compared to the corresponding period a year ago, the regulator said.

Go First will operate 1,390 flights per week during the season as compared to 2,290 flights per week during the last winter season, the regulator said.

More than 20 Go First planes are currently grounded due to engine

supply issues, affecting its capability to operate flights, a source mentioned. The winter schedule starts on October 30 and finishes on March 25 next year.

SpiceJet and Go First did not answer to queries sent by Business Standard.

SpiceJet's planes were involved in at least eight incidents of technical malfunction between June 19 and July 5, following which the DGCA had issued a show cause notice to the airline.

On July 27, the regulator asked the budget carrier to not operate more than 50 per cent of approved flights (4,192 weekly flights) for eight weeks, reducing the carrier's weekly flights to 20,960. On September 21, the DGCA extended the cap till October 29, stating that while the number of incidents have reduced, there is need of "caution".

SpiceJet will operate approximately 3,193 departures per week during this winter season as compared to 2,995 departures per week during the last winter season, the airline said on Friday.

SpiceJet reported net losses of ₹316 crore, ₹934 crore, ₹998 crore and ₹1,725 crore in FY19, FY20, FY21 and FY22, respectively. The airline incurred a loss of ₹789 crore in the first quarter of FY23.

NCLAT asks new Jet owner to clear unpaid PF, gratuity dues

The National Company Law Appellate Tribunal (NCLAT) on Friday directed Jet Airways' new owner — Jalan-Kalrock consortium — to pay the unpaid provident fund and gratuity dues of employees of the carrier, which is going to restart its operation.

It has directed the former resolution professional to "compute the payments to be made to workmen and employees within one month from today" and communicate the same to the Jalan-Kalrock consortium to take steps for the payment.

Allowing a batch of petitions filed by the associations of workmen, Aircraft Maintenance Engineers, Officers and Staff Association and others, a two-member NCLAT

bench had asked the new owner to make payment of provident fund dues as admitted by the resolution professional.

"Successful Resolution Applicant is directed to make payment of unpaid provident fund to the workmen till the date of insolvency commencement, after deducting the amount already paid towards the provident fund in the Resolution Plan to the workmen," said the NCLAT.

The NCLAT also cleared that the workmen are also entitled to payment of their gratuity dues as on the insolvency commencement date, after adjusting any amount towards gratuity paid under the resolution plan.
