24. Overview of the entity's material responsible business conduct issues

Please indicate material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same, approach to adapt or mitigate the risk along-with its financial implications, as per the following format

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk/ opportunity	Incase of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
1	Climate Risk Crop Failure:	Risk	It has direct impact on the business. Borrowers are unable to repay the loan amount due to natural hazards like flood, draught, irregular rainfall etc.	There are targets for banks for the priority sector. Hence these risks cannot be eliminated. However, with proper product composition, portfolio mix, geographic diversification, support from the government, risk can be mitigated to certain extend.	Negative
2	Climate Change Credit Risk	Risk	Credit Risk due to climate change can emerge from exposures to units having high carbon emission, units following technologies which fails to shift and comply with ESG guidelines. Further collapse of real estate prices due to natural hazards will have serious impact leading to higher LGD when impairment happens.	As a policy matter, to reduce the greenhouse effect, the Bank does not finance borrowers for setting up new units producing/ consuming Ozone Depleting Substances (ODS) and small/ medium scale units engaged in the manufacturing of aerosol units using Chlorofluorocarbons (CFC) which enables a reduction in the greenhouse effect.	Negative
		Opportunity	Bank has wide scope lending money to the Development and use of emerging technologies such as renewable energy, battery storage, energy efficiency, making advances in LED lighting technology, industrial motor technology, electrical vehicles		Positive
3	Corporate Governance – Board oversight, Conflict of Interest, Ethics, Risk and Compliance, Succession Planning	Risk	Strong corporate governance is core to achieving the organisation's mission and any risks can undermine stakeholder trust, damage reputation and disrupt business.	Bank has put in place strong corporate governance framework as per regulatory guidelines. The Bank has in place a fair, transparent & accountable Corporate Governance structure across its hierarchy to safeguard the interests of all stakeholders. • There is an effective mechanism, supported by strong policies to supervise the Executive Management and oversee the critical functions of the Bank. • There is an effective grievance redressal mechanism for customer to address their concerns.	Negative

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk/ opportunity	Incase of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
4	Social Responsibility		The business must be rooted in community and be in alignment with the community's larger interests. Any adverse relationship can hurt the company's ability to create longer term value.	Fostering communities, job creation, skill development, supporting local relief efforts wherever required in times of crisis and paying taxes.	Negative
			Improve the CSB brand equity by promoting/ structuring products and services to uplift society and improve social/living standards	Bank has created separate verticals for promoting educational loans, housing loans, MSME, Agri and Micro segments, targeting its responsibility towards upliftment of society through serving the needs of those who aspire for higher education, building houses, starting micro/small enterprises. The bank is also in a big way extending loans to SHG/JLG to cater the needs of weaker and socially backward society. Through gold loans, the bank addresses urgent needs of public. The portfolio of the bank also includes direct assignment transaction wherein the ultimate beneficiary is the economically weak borrowers	Negative
5	Environmental Risk – Waste management	Risk	Non-compliance with the emerging regulations around recycling and waste management can lead to penalties and reputational risk	Reduction in waste generation, creation of awareness among employees Bank has taken Green initiatives such as Document Management System, E-passbook, video KYC, etc.	Negative
6	Climate Risk	Risk	Extreme weather events due to climate change pose physical risk of disruption to the bank's operation and safety and wellbeing of its employees.	Bank has put in place the BCP framework which is a guiding document in case of any such eventuality	Negative

Further, the Bank in compliance with 'Para 10(ii) of RBI Circular No. DBOD.No.BP.BC.71/21.01.01/2004-05 dated February 28, 2005 – Guidelines on Ownerships and Governance in Private Sector Banks', conducts fit and proper exercise on all the directors on an annual basis, with a cutoff date of March 31, to ensure that all the directors meet with the 'Fit and Proper' criteria in order to continue to hold the office of directorship of the Bank.

PRINCIPLE 2: Businesses should provide goods and services in a manner that is sustainable and safe.

Bank is committed towards lesser adverse impact on environment and society through its operations. Though being into financial services, Bank has put in place a Sustainable Development Policy document which covers on Global Warming, Green House Effect, Community Development, Financial Inclusion, Financial Literacy and Credit Counselling, etc. Banks operations have least direct Impact on the environment. However, as part of the Bank's Go Green initiatives, Bank is committed to adopting energy conserving processes by exploring the options of purchasing Solar Roof Top systems. Some of our branches and ATMs have immensely benefited by using electrical fittings such as LED lightings, low energy consuming/rated electrical equipment, thereby reducing the carbon footprint.

Bank encourages its customers to explore the options of various digital banking products and services being offered and this help the customers to meet many of their requirements without being actually present at Bank branches.
