

INDEPENDENT AUDITOR'S REPORT

TO THE BOARD OF DIRECTORS OF CSB Bank Limited

(formerly, The Catholic Syrian Bank Limited)

Report on the audit of the Annual Financial Results

Opinion

We have audited the accompanying annual financial results of CSB Bank Limited (formerly, The Catholic Syrian Bank Limited) (hereinafter referred to as the "Bank") for the year ended 31 March 2021, attached herewith, being submitted by the Bank pursuant to the requirement of Regulation 33 of the Security Exchange Board of India ('SEBI') (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ('Listing Regulations'), except for the disclosures relating to Pillar 3 disclosure as at 31 March 2021, including leverage ratio and liquidity coverage ratio under Basel III Capital Regulations as have been disclosed on the Bank's website and in respect of which a link has been provided in the annual financial results and have not been audited by us.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid annual financial results:

- a. are presented in accordance with the requirements of Regulation 33 of the Listing Regulations in this regard except for the disclosures relating to Pillar 3 disclosure as at 31 March 2021, including leverage ratio and liquidity coverage ratio under Basel III Capital Regulations as have been disclosed on the Bank's website and in respect of which a link has been provided in the financial results and have not been audited by us; and
- b. give a true and fair view in conformity with the recognition and measurement principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, relevant provisions of the Banking Regulation Act, 1949 and the circulars and guidelines issued by Reserve Bank of India ('RBI') from time to time, of the net profit and other financial information for the year ended 31 March 2021.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Companies Act, 2013 (the "Act"). Our responsibilities under those SAs are further described in the *Auditor's Responsibilities for the Audit of the Annual Financial Results* section of our report. We are independent of the Bank, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our opinion on the annual financial results.

Emphasis of matter

As more fully described in Note 12 to the annual financial results, the extent to which the COVID-19 pandemic will have an impact on the Bank's financial performance is dependent on future developments, which are highly uncertain.

Our opinion on the annual financial results is not modified in respect of the above matter.

Management's and the Board of Directors' Responsibilities for the Annual Financial Results

These annual financial results have been prepared on the basis of the annual financial statements and reviewed quarterly financial results upto the end of the third quarter.

The Bank's management and the Board of Directors are responsible for the preparation and presentation of these annual financial results that give a true and fair view of the net profit/loss and other financial information in accordance with the recognition and measurement principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, the relevant provisions of the Banking Regulation Act, 1949, the circulars, guidelines and directions issued by the RBI from time to time ("RBI Guidelines") and in compliance with Regulation 33 of the Listing Regulations. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Bank and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the annual financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the annual financial results, management and the Board of Directors are responsible for assessing the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intend to liquidate the Bank or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Bank's financial reporting process.

Auditor's Responsibilities for the Audit of the Annual Financial Results

Our objectives are to obtain reasonable assurance about whether the annual financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3) (i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the Bank has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the financial results made by management and the Board of Directors.
- Conclude on the appropriateness of management and the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the annual financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the annual financial results, including the disclosures, and whether the annual financial results represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

The annual financial results include the results for the quarter ended 31 March 2021 being the balancing figure between the audited figures in respect of the full financial year and the published unaudited year to date figures up to the third quarter of the current financial year which were subject to limited review by us.

The comparative figures for the quarter and year ended 31 March 2020 provided in the financial results have been audited by the predecessor auditor who expressed an unmodified opinion on those financial results vide their Independent Auditor's Report dated 15 June 2020.

Our opinion on the annual financial results is not modified in respect of these matters.

- The impact of COVID-19, including changes in customer behaviour and pandemic fears, as well as restrictions on business and individual activities, has led to significant volatility in global and Indian financial markets and a significant decrease in global and local economic activities. The slowdown during the year led to a decrease in loan originations, the sale of third party products, the use of credit and debit cards by customers and the efficiency in collection efforts. This may lead to a rise in the number of customer defaults and consequently an increase in provisions there against. The extent to which the COVID-19 pandemic, including the current "second wave" that has significantly increased the number of cases in India, will continue to impact the Bank's results will depend on ongoing as well as future developments, which are highly uncertain, including, among other things, any new information concerning the severity of the COVID-19 pandemic and any action to contain its spread or mitigate its impact whether government mandated or elected by us.
