

### **Supporting Healthcare project conducted by Thuvakkam Welfare Association**

CSB Bank has contributed Rs. 15.75 lakhs towards 'Help for Humanity Healthcare Project', conducted by Thuvakkam Welfare Association. The said project is an initiative to provide aid for medical requests to support different medical costs for medicines, treatment, surgery and post-operation care. The project seeks to improve the infrastructure and amenities for Healthcare Institutions, offers effective equipment for treatment and diagnoses, thus creates a lasting impact on the community and betters the environment, livelihood and community. The strategy is to analyse the desired location, assess the people, houses and structures available in the vicinity, obtain permission from the local bodies and hospital/health centre boards and erect boards and slogans encouraging cleanliness and healthy habits.
